Feast Café Bistro is the first of its kind in Manitoba – an Indigenous owned and operated restaurant serving dishes inspired by the traditional foods of this great land. Owner Christa, from Peguis First Nation, has spent nearly 20 years refining her cooking skills and expanding her knowledge of Indigenous foods. She is a homecook turned restaurateur whose passion and creativity are woven into the fabric of Feast, each recipe is developed in Christa's home kitchen.

We source as many local ingredients as possible. The bison is farmed right here in Manitoba, our cheese is from Bothwell, the pickerel is caught from our many lakes, and our coffee is roasted locally by DeLuca's, our neighbours in the West End. Our native bread also known as bannock is made-to-order, fresh everyday and is vegan.

We aim to provide employment opportunities to individuals seeking experience in the restaurant industry. We pride ourselves in being a pillar in the community, providing support to local organizations in the form of job practicums, mentorship, work experience programs, and business tours.

Feast would love to host your private party, or cater events at the location of your choosing. We work with groups of any size, will plan a menu that suits your needs, and create lasting memories. Visit our website or email catering@feastcafebistro.com.

***“Feast’s menu stems from my heart, home, and garden.
To see my recipes become a favourite to many is humbling” ~Christa***
